Pace of Play Policy

According to USGA Rules of Golf: Rule 6-7. Undue Delay; Slow Play: "The player must play without undue delay and in accordance with any pace of play guidelines that the Committee may establish. Between completion of a hole and playing from the next teeing ground, the player must not unduly delay play."
FIRST INFRACTION: If the group falls more than a hole behind, they will be given a "warning" and put "one on the clock" until appropriate position is accomplished, while being monitored by an official. SECOND INFRACTION: If the group is deemed to be causing undue delay and not correcting their position, they will each be given a one-stroke penalty and the opportunity to correct their position while being monitored by an official. THIRD INFRACTION: If they fall further behind, a two-stroke penalty will be assessed and they must correct their position. If players do not correct their position, they will be disqualified. The group will be assessed the penalty unless a certain player is deemed to have caused the delay by an official monitoring the situation.
